ATEEE 2021

2021 International Conference on Advanced Technology of Electrical Engineering and Energy (ATEEE 2021) will be held in Qingdao, China during December 24-26, 2021.

ATEEE is an annual conference to present the latest research and results of scientists related to Electrical Engineering and Energy topics. This conference provides opportunities for the different areas delegates such as industry practitioners, policymakers, and researchers to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constituted a significant contribution to the knowledge in this up-to-date scientific field. Welcome you to submit the papers that could be included in two main topics- Electrical Engineering as well as Clean and Renewable Energy by following general topics, but not limited to this.

Organizing Committees

Advisory Co-Chairs

-  **A./Prof. David Raisz**
Faculty of Electrical Engineering and Informatics, Budapest University of Technology and Economics
-  **Dr. Mahmoud Moh'd Mahmoud Al Shawabkeh**
Faculty of Science and Electronic Engineering, Guangxi Normal University for Nationalities

Conference Co-Chairs

-  **Dr. Oveis Abedinia**
School of Engineering and Digital Sciences, Electrical and Computer Engineering, NAZARBAYEV UNIVERSITY
-  **A/Prof. Mostafa Ghasemi Baboli**
Chemical Engineering Section, Faculty of Engineering, Sohar University

Organizing Co-Chairs

-  **Dr. Robabeh Asadpour**
Geosciences & Petroleum Engineering Department, Universiti Teknologi PETRONAS
-  **Dr. Mahmood Bataee**
Petroleum Engineering Department, Curtin University

Technical Program Co-Chairs

-  **Dr. Hedayat Omidvar**
Head of Project Planning and Control, Research & Technology Dept., National Iranian Gas Company
-  **Dr. Sadegh Afzal**
Department of Mechanical Engineering, University of Mohaghegh Ardabili
-  **Dr. Ali Ghasemi Marzbali**
Department of Electrical and Biomedical Engineering, Mazandaran University of Science and Technology (USTMB)

Local Organizing Chair

-  **Prof. Xiaonan Xiao**
Xiamen University Tan Kah Kee College

Publication Chair

-  **Dr. Saeid Gholami Farkoush**
Department of Electrical Engineering, Yeungnam University

Submission Method and Instruction

Prospective authors are invited to submit full-length papers (at least 4 pages for technical content including figures and possible references) or extended abstracts (for oral presentations) via the ATEEE 2021 conference website. Manuscripts should be original (not submitted/published anywhere else) and written in accordance with the mentioned below Template. All submissions will be peer reviewed by 2-3 reviewers. The registered and presented papers will be published into ATEEE 2021 Conference Proceedings by Conference Publishing Services (CPS), and will be submitted to IEEE Xplore, Ei Compendex and Scopus for indexing. Keynote Speakers

- Speaker I**
Prof. Mehdi Bagheri
E-mail: mehdi.bagheri@nu.edu.kz
School of Engineering and Digital Sciences, Electrical and Computer Engineering, Nazarbayev University
- Speaker II**
Prof. Oveis Abedinia
E-mail: oveis.abedinia@nu.edu.kz
School of Engineering and Digital Sciences, Electrical and Computer Engineering, NAZARBAYEV UNIVERSITY
- Speaker III**
A./Prof. David Raisz
Faculty of Electrical Engineering and Informatics, Budapest University of Technology and Economics

For more details, [Please Click](#)

Conference Theme

- Computation Intelligence in Electrical Engineering
 - Computer and AI Applications in Power Industry
 - Control Science and Control Engineering
 - Control Theory and Application
 - Distributed Generation, Fuel Cells and Renewable Energy Systems
 - Electric Drivers and Application
 - Electric Vehicle Technologies
 - Electrical Machinery and Electrical Apparatus
 - Electrical Machines, Power Electronics and Industry Applications
 - Electrical Materials and Process
 - Electrical Traction Systems and Control
 - Power System Stability
 - Power Systems and Energy
 - Power Systems Communication
 - Power Systems Deregulation
 - Predictive Control
 - Process Control
 - Renewable Energy
 - Semiconductor Technology
 - Transmission and Distribution Systems and Apparatus
 - Wind, Solar and Renewable Energy
- [For More Topics](#)

Publication

Conference Proceedings 会议论文集
 All submissions will be peer reviewed by 2-3 reviewers. The registered and presented papers will be published into ATEEE 2021 Conference Proceedings, and will be submitted to **IEEE Xplore, Ei Compendex and Scopus** for indexing.

Special issue 专刊
 Excellent papers will be recommended to the SCI/EI indexed Journals Selected registered & presented papers with extension will be recommended to be published in a special issue of SCI indexed Journal.
