# ATEEE 2022

2022 2nd International Conference on Advanced Technology of Electrical Engineering and Energy (ATEEE 2022) will be held in Qingdao, China during October 28-30, 2022.

ATEEE is an annual conference to present the latest research and results of scientists related to Electrical Engineering and Energy topics. This conference provides opportunities for the different areas delegates such as industry practitioners, policymakers, and researchers to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constitute a significant contribution to the knowledge in this up-to-date scientific field. Welcome you to submit the papers that could be included in two main topics- Electrical Engineering as well as Clean and Renewable Energy by following general topics, but not limited to this.

## Organizing Committees

### Advisory Co-Chairs

**A./Prof. David Raisz**  
(IEEE Senior Member)  
Faculty of Electrical Engineering and Informatics, Budapest University of Technology and Economics

**Dr. Masoud Taghavi**  
Head of Mechanical Engineering Department, Technical and Vocational University (TVU)

### Conference Chair

**Dr. Oveis Abedinia**  
School of Engineering and Digital Sciences, Electrical and Computer Engineering, Nazarbayev University

**A.P. Dr. Mostafa Ghasemi Baboli**  
Chemical Engineering Section, Faculty of Engineering, Sohar University

### Organizing Co-Chairs

**Prof. Robabeh Asadpour**  
Geosciences & Petroleum Engineering Department, Universiti Teknologi PETRONAS

**Dr. Mahmood Bataee**  
Petroleum Engineering Department, Curtin University

### Technical Program Chair

**Dr. Prof. P Venkatesh** (IEEE Senior Member)  
BOYSCAST Fellow  
Department of Electrical & Electronics Engineering  
Thiagarajar College of Engineering, India

### Technical Program Co-Chairs

**Dr. Hedayat Omidvar**  
Head of Project Planning and Control, Research & Technology Dept., National Iranian Gas Company

**Dr. Sadegh Afzal**  
Department of Mechanical Engineering, University of Mohaghegh Ardabili

**Dr. Ali Ghasemi Marzbali**  
Department of Electrical and Biomedical Engineering, Mazandaran University of Science and Technology (USTMB)

**Dr. Waseem Aslam**  
Department of Electrical Engineering, University of Sargodha

### Local Chair

**Prof. Xiaonan Xiao**  
Xiamen University Tan Kah Kee College

**Publication Chair**  
**Dr. Saeid Gholami Farkoush**  
Department of Electrical Engineering, Yeungnam University

## Submission Method and Instruction

Prospective authors are invited to submit full-length papers (at least 4 pages for technical content including figures and possible references) or extended abstracts (for oral presentations) via the ATEEE 2022 conference website. Manuscripts should be original (not submitted/published anywhere else) and written in accordance with the mentioned below Template. All submissions will be peer reviewed by 2-3 reviewers.

The registered and presented papers will be published into ATEEE 2022 Conference Proceedings and will be submitted to IEEE Xplore, Ei Compendex and Scopus for indexing.

## Keynote Speakers

Speaker I  
Dr. Prof. P Venkatesh (IEEE Senior Member)  
BOYSCAST Fellow  
Department of Electrical & Electronics Engineering  
Thiagarajar College of Engineering, India  
For more details, [Please click](#)

## Conference Theme

Computation Intelligence in Electrical Engineering  
Computer and AI Applications in Power Industry  
Control Science and Control Engineering  
Control Theory and Application  
Distributed Generation, Fuel Cells and Renewable Energy Systems  
Electric Drivers and Application  
Electric Vehicle Technologies  
Electrical Machinery and Electrical Apparatus  
Electrical Machines, Power Electronics and Industry Applications  
Electrical Materials and Process  
Electrical Traction Systems and Control  
Power System Stability  
Power Systems and Energy  
Power Systems Communication  
Power Systems Deregulation  
Predictive Control  
Process Control  
Renewable Energy  
Semiconductor Technology

## Publication

Conference Proceedings 会议论文集  
All submissions will be peer reviewed by 2-3 reviewers.  
The registered and presented papers will be published into ATEEE 2022 Conference Proceedings, and will be submitted to **IEEE Xplore**, **Ei Compendex** and **Scopus** for indexing

Journal A (Special Issue)  
*Journal of Petroleum Exploration and Production Technology*  
Scopes: Towards sustainability in the petroleum industry: initiatives, technologies, innovation and industry dynamics  
EI Compendex, SCOPUS and Science Citation Index Expanded  
Submission Deadline: 30 September 2022

Journal B (Special Issue)  
*Sustainability*  
Scopes: Circular Economy Practices and Environmental Policies: A Strategic Move to Achieve Sustainable Development Goals  
Indexed within Scopus, SCIE and SSCI (Web of Science)  
Submission Deadline: 15 August 2022

Journal C (Regular Issue)  
*International Journal of Renewable Energy Research (IJRER)*  
Scopes: Topics and technologies(solutions) of renewable (green) energy resources.  
Indexed within Scopus, ESCI
